### USTA Combo Doubles Team Registration

Team registration is underway through June 8. Let us assist you in connecting to a team by calling the Pro Shop.

### Summer Block Scheduling

Court reservations using the summer block scheduling will begin on Monday, May 28. The summer heat has arrived so it is time to insure the courts are well maintained by a good midday watering. For those of you who are newer members, this simply means that courts will be available in two hour blocks beginning with the first reservations of the day at 8am to 10am followed by 10am to 12 noon and so forth. In other words, no 9:30am court reservations until September. Enjoy getting an early start and cooler temps with 8am reservations. With Sunday 9am opening, we will be flexible on start times. If everyone chooses a 9am start, then we can max out the available morning times. Thank you for your cooperation and understanding so our court staff can implement a more structured watering schedule resulting in safe, well maintained clay surfaces for enjoyable play.
