Truluck Receives Dunlop Scholarship

Congratulations to Elizabeth Truluck for her selection as the 2018 Dunlop Scholarship recipient at this year's Chick-fil-A Palmetto Championships in Belton. Elizabeth was selected from a group of strong candidates based on a combination of her academic excellence, extracurricular honors and activities, and tennis accomplishments. Elizabeth shared in her essay: "After playing tennis for the past 12 years, I have realized that this sport has been a gateway to incredible opportunities such as volunteering, participating in team events, and succeeding academically. These experiences have led me to learn more about myself and the numerous ways I can use my talents to help others." Elizabeth will attend Davidson College this fall where she will play varsity tennis and study psychology.
