Welcome New Coach for MWTennis Academy

Join us in welcoming Cole Conner to the MWTennis Academy coaching team. Hailing from Roswell, Georgia, Cole got his coaching start at the age of 17.

He was recruited for doubles by Young Harris College located north of Atlanta where he was a three year starter. Cole went on to be a graduate assistant coach there prior to accepting his position with MWTennis. Off the court, he enjoys anything outdoors including fishing, hunting, paddle boarding in addition to having a love for reading which came in handy for his History major in college.
