USTA Singles League Registration

Singles League registration is underway. Teams consist of a minimum of three players at level in the 18+ and 40+ age divisions. Typically teams have three to six players with a much smaller number of teams in this league making for a short season from mid-August through possibly early October. Let us assist you in connecting with a team. Team registration closes out on August 17 so sign up today.

USTA Fall League

Mark your calendars for Friday, August 17, as the start of team registration for the Fall season. Here's what to expect. Previous captains who have agreed to captain for this season's league will set up the team number and contact players. A new member player who has interest and has not previously played on a team should leave name and level with the Pro Shop staff by calling 843-849-5300 or during your next visit to play so we can help you connect.
