Combo Captains

The Combo make-up matches are starting to pile up. Please work with FCTC to identify available times and notify your coordinators when rescheduled so the new date can be entered into tennislinc. Did you know that if your rescheduled match gets rained out, you have 2 weeks from the date reported to the coordinator to make it up? If you *don't* report a makeup match date, you have only the two weeks from the original match date and the coordinator can enforce the Saturday at 2:00 pm option. If you are splitting the match up, give the date of the final court to be played. For more information, visit the Lowcountry Tennis Association website www.lctatennis.org.

USTA Team Registration

Singles League registration closes out on August 17 with Fall team registration opening the same day and continuing through September 14. Leave your name at the front desk if you want to play on a team.

CALTA

With 57 teams and 20 participating tennis facilities, CALTA matches begin on Tuesday, August 21. CALTA captains are currently collecting the \$40 per player fee for the 2018-19 season. Please connect with your captain to pay and be eligible to play in the first match of the season.

Caribbean Mixer

Spice up the fun by coming out in your island attire on August 24 at 6:00 pm for some doubles tennis or pickleball followed by a Caribbean flair of island favorites. Sign up with a partner or we will pair you with another member. Stop in the Pro Shop or call 843-849-5300 by Wednesday, August 22 to register with advance payments welcome prior to the night of the event.
Members \$22.50 Guests \$30 F & B only \$20

What is Universal Tennis Rating?

UTR powered by Oracle is a rating system providing a single, unifying language and standard for tennis players across ages, geography, gender and economics. It's an algorithm-based system allowing anyone to identify, measure, track and develop the level of a player. UTR is a number between 1-16.5 based on your level of play taking into consideration competition, score and recent history. Powered by over 7 million match results, this system has access across 700 thousand players in over 200 countries. With 100 million tennis players in the world, UTR is growing as more results and data are collected to perfect this system promoting fair and competitive play. To learn more, visit the UTR website <https://myutr.com>. Look for future FCTC events to incorporate the use of UTR where you may see a 10.0 junior girl playing in a competitive match against a 10.0 adult male.
