## Welcome Daniel Pointe Retirement Community

Daniel Pointe Retirement Community has joined as a year round FCTC sponsor. Located on Daniel Island, this all-inclusive 55 and over senior living community is home to those who relish living a luxurious lifestyle, complete with round-the-clock service, resort-style dining, and lavish accommodations with amenities. Daniel Pointe has extended an invitation to our members to attend a workshop on Tuesday, November 6, from 1:30pm to 2:30pm in the Daniel Pointe Theatre. Dr. Sundar Balasubramanian, who is a researcher at the Medical University of South Carolina studying cancer therapeutics and Yoga, will present on the topic of Wellness Through Breathing Regulation.

USTA and CALTA Captains,

The Fall league season has started and FCTC is home to 50 teams. USTA/LCTA schedule 90 minutes for the completion of matches and FCTC provides CALTA 2 hours.

Please assist us with a few items so we can better serve all players:

- Recommended warmup time ranges from 5 – 10 minutes which includes serves. Should you need additional time, please consider reserving a separate court prior to time of scheduled match.
- Begin matches at scheduled times. We fully understand that in some cases matches run over their allotted time frame. Late start times create a situation where it is almost certain the match which follows will be delayed in starting. Put yourself in the waiting player's tennis shoes as a reminder to keep the pace continuous and changeover breaks within the limits.

Thank you for your cooperation so every player will enjoy the game of tennis while keeping delays reasonable and to a minimum.
