Volvo Car Open Preparations

Please use extreme caution and be extra aware of what is happening around you due to the increased use of heavy equipment onsite moving items into place for opening day of the tournament. Parking along the driveway on the grass is available should the Clubhouse lot be full. Avoid parking in the gravel lot as many items are being temporarily unloaded there before being moved again. Please refrain from entering tents for any reason and do not sit on bleachers as construction may be incomplete and present a hazard.
