### Hunter's Story MUSC Shawn Jenkins Children's Hospital

Hunter is, by any definition, a living miracle. Born deaf, one working kidney, half a beating heart, a missing thymus gland, and bladder and spine defects, recovery may have seemed almost unimaginable. Thanks to advances in medicine and the gifted caregivers at MUSC Children's Hospital, Hunter is a happy and active six year old who loves art, music and playing with his 240-pound dog Sheldon. This is a powerful reminder that when the right people are in the right place anything is possible. Join us in imagining what's possible for children like Hunter by playing in the 10th Annual Holiday Classic Presented by Allstate Wally Burbage tournament benefiting MUSC.
