USTA Spring 2018 League Updates

- LCTA 40 & Over League teams in the 3.0, 3.5, 4.0, and 4.5 divisions shall consist of a minimum of nine eligible players. Format is 1 singles, 4 doubles for regular season, format is 2 singles, 3 doubles for playoffs and other championships.
- Teams that default an entire match in accordance with USTA rule 2.03L are expected to continue to play the remainder of their schedule. If their opponent opts not to play the team that has defaulted, they may do so without a sanction against the team that elects not to play.
- Concerning the inclement weather regulation - Once the make-up dates are established, those are considered to be the official match dates and they are not able to be postponed unless there is inclement weather on those dates. The coordinator should be informed of the makeup date to be changed in TennisLink. If the match is rained out on the makeup date, the 2-week rule is reset from the date that was communicated to the coordinator. If the coordinator is not informed, the teams will be held to the 2-week makeup from the original match date.
